

SANOFI-AVENTIS TRAVEL FELLOWSHIP

This award has been kindly donated to SEMDSA on an ongoing basis subject to annual review. The award includes a fully inclusive travel sponsorship to the EASD with Sanofi as their hosts. Sanofi will sponsor the following: an economy class ticket, hotel accommodation, transfers and registration.

The purpose of this award is to stimulate interest and research in Type 2 Diabetes. The successful candidate will be a scientist or a medical practitioner (which includes junior members of academic departments, medical officers and medical practitioners in peripheral units), working in the field of Type 2 Diabetes, who otherwise might not have had the opportunity to attend an overseas congress.

Application forms for this prestigious award are available on request from the SEMDSA offices or can be downloaded from the SEMDSA website. Applications must be accompanied by two letters of recommendation. The candidate must also submit a complete C.V.

The successful candidate will be chosen by the SEMDSA Executive Committee. Applicants must be a member of SEMDSA and have a valid Schengen visa

Closing date for applications is: 1 April 2016.
