

The Second Annual Thyroid Update and Ultrasound Course

Chris Hani Baragwanath Academic Hospital
Endocrine Department and Department of Radiology

Date: 19 - 20 February 2016

**Venue: Chris Hani Baragwanath Academic Hospital,
Chris Hani Road, Diepkloof, Soweto**

Dr. Bhana invites you to register for The Second Annual Thyroid Update and Ultrasound Course. The meeting consists of a series of clinically orientated lectures by internationally recognised experts in the field of Thyroidology.

Professor Susan Mandel is a Professor of Medicine and Radiology at the University of Pennsylvania School of Medicine, where she also directs the fellowship program in Endocrinology, Diabetes, and Metabolism. She serves as the Associate Chief of the Division of Endocrinology, Diabetes, and Metabolism at the Hospital of the University of Pennsylvania and is the Director of the Thyroid Nodule Clinic. Professor Mandel is a Member of the Task Force representing the American Thyroid Association "Guidelines for the Management of Thyroid Disease during Pregnancy" 2005-2007; and of the Clinical Guidelines Subcommittee 2007-Present.

Professor David Cooper is the Professor of Medicine and Radiology at Johns Hopkins University School of Medicine; and Physician and Director of the Thyroid Clinic, The Johns Hopkins Hospital.

Professor Nicole Massoll, Associate Professor of Pathology, Clinician Educator Director of Cytology & Outreach Pathology.

**Thyroid Symposium – Free (Unlimited capacity)
Ultrasound Course – R2500 (Limited to 50 Doctors)**
